Experience:

Fulmar Guide Service

Re-designed and constructed a new website for a fishing captain out of Manchester, MA. He wanted to be able to update his own site more easily and to be able to showcase recent trips.

Your Nantucket Concierge

Created a new website for a client who started a concierge business on Nantucket whom was offering extensive local knowledge of Nantucket Island.

Stormwater Community Assistance Program

Designed a new web site for non-profit organization that provides outreach materials to municipalities to address two of the six minimum control measures under the Stormwater Phase II Regulations.

First Light Anglers

Re-designed First Light Anglers website which is the premier fishing tackle shop north of Boston.

Education:

Boston University Center for Digital Imaging Arts, *Waltham, MA* 2010
Certificate in Graphic and Web Design

Harvard Extension School, *Cambridge, MA* 2006
Took several business courses

University of Denver, *Denver, CO* 2000
B.A in Communications

Other Experience:

Fishing Boat Captain, Beverly, MA 8/06-Present
Captain

Captain a 34' Venture for a private individual during the summers as we fish for offshore and inshore species.

First Light Anglers, Rowley, MA 8/06-9/09
Sales Associate

Handled the every day duties of running the premier tackle shop in the area which included rigging, sales, and ordering. I also maintained their website and online store.

Coldwell Banker Residential Brokerage, Beverly, MA 5/05-6/06
Sales Associate

Worked as a sales associate where I listed and sold residential real estate.

CB Richard Ellis-Whittier Partners, Boston, MA 7/03-9/04
Property Accountant

Prepared monthly and quarterly reports for assigned properties, to include cash flow, income statements, income projections, variance and debt analysis.
